Date: Friday, March 15, 2013 12:10:00 PM

Yvette,

I have not yet heard from John. I will let you know as soon as I hear from him.

All,

I don't know whether you or your state folks are doing ESA inspections, but OPP has had some questions on these issues and recently updated our web site.

I thought it might be useful to send this link with a reminder that all the labels for these products have a use season which ends tomorrow- 3/15.

I am NOT the expert... Let me know if you need more info and I can direct you to them.
